To,
The Principal,
Patna College,
Patna University,
Patna

Dear Sir/Ma'am

Subject – Inviting students' ideas/ participation in eYouthscape Start-up Bihar

Placement Cell, Patna University and Medha are organising "eYouthscape Start-up Bihar". It is an e-competition, conceptualised to give a non-traditional learning platform to students. COVID-19 has had a significant effect on our lives in terms of education, health, losing jobs, reverse migration, etc. To fight these issues, the government is taking many initiatives; one of them is promoting entrepreneurship. Given the current situation and ensuring the safety of everyone, the event will be conducted virtually.

The purpose of the event is to bring the youths of Bihar with entrepreneurial ideas, which can change the current scenario of Bihar by establishing start-ups and creating jobs for others. In this e-competition, students (currently affiliated with any University, any degree college, Polytechnic, and ITI) across Bihar can participate. For making this competition successful, we are collaborating with different organizations and government partners who are supporting us in different capacities.

Medha has entered MoU with Patna University on 03-04-19, since have been counselling and training students under the guidance of the placement cell of Patna University.

Patna University and Medha together intend to deliver a high standard competition, and your support in this regard is most needed and highly appreciated. Seeking your support in:

- Circulating this information within your esteemed College/Department, both academicians and student community.
- Motivating your students to submit their business ideas for this competition
- Uploading the link to the event page on your official website.

We are seeking your support to help us providing a professional platform for bright minds of Bihar.

For Queries- Mail id- medha.patnauniversity@medha.org.in

Contact No.- 7080997814

Application link- https://www.patnauniversity.ac.in/31082020_placement_new.php
